SUMMARY OF THE UCT GAP COVER PRODUCTS

**Health Rate Enhancer**
Provides a benefit equal to the charges levied by Medical Practitioners for in-hospital procedures performed on you or your dependants, to a maximum of five times the Medical Scheme tariff less what is covered by your Medical Aid.

**Self-Payment Protector**
A benefit equal to charges relating to any co-payment or deductible amount levied by your Medical Scheme to in-hospital procedures and/or listed outpatient procedures.

**Hospital Sub-Limits Extender**
In the event that you exceed an in-hospital sub-limit e.g. Internal prosthesis, as per your Medical Scheme option, then an additional R20,000 per family/per annum is made available to assist you in this regard.

**Cancer Treatment Enhancer**
Additional cover is provided for both a list of specific cancers and biological drugs, as well as any co-payment applied by your Medical Scheme, should you exceed your overall annual cover limit for the treatment of cancer. This benefit is limited to R50 000.00 in aggregate per policy per annum.
Casualty Benefit
The cost of a medical or surgical procedure following an emergency incurred in a hospital casualty unit where such costs were not met by the medical scheme and limited to R7,500 in aggregate per family per annum

Key Gap
Provides a benefit equal to the cost of in-hospitalisation and associated medical expenses provided in terms of the Insured’s Medical Scheme option and limited to the following procedures:

1. Back and neck surgery - 12 month pre-existing condition exclusion applies
2. Hip and knee replacements - 12 month pre-existing condition exclusion applies
3. Cochlear implants (procedure and devices) - included only where the member developed sensor neural deafness during the period of cover.

Underwriting conditions
Should you choose to join Gap Cover outside of the window period, Ambledown will apply waiting periods and exclusions which include the following:

- Three month general waiting period
- A 12 month condition specific waiting period
- Treatment relating to pregnancy or childbirth during the first 12 months of the policy will not be covered.
- No benefit shall be payable for the Private Care for Cancer or Biological Cancer Drug benefits for any preexisting condition (meaning any form of cancer) occurring or manifesting prior to the Commencement Date of the Private Care for Cancer and Biological

If you join Gap Cover within the first three months of your date of employment at UCT, the underwriting exclusions listed above will not be applied to your policy.
