

Wondering how to get your colleagues to work together effectively as a team?

Feeling a bit like **THIS** in the process?

Join Human Strategy Consultant, [Simon Hurry](#), of the **ReWork Group**, and Associate Professor Minette Coetzee from UCT's **Child Nurse Practice Development Initiative** at the **SAPA & SAAPS 2014 Congress** for a morning only, pre-congress workshop on "*leading teams that work and work well together*".

Come and explore how teams are best formed and effectively led to achieve good clinical outcomes.

Topics to be included:

- 1 Work that matters
- 2 Why teams?
- 3 The role of the manager
- 4 Engaging individuals
- 5 Communication Strategies
- 6 Group Genius
