Short Course

Disability Inclusive Development

Disability Studies Programme: University of Cape Town

27th, 28th and 29th August 2014

Course Facilitators: Chioma Ohajunwa & Associate Professor Theresa Lorenzo

Target audience:

The course is aimed at professionals in all fields, community based workers, non-governmental organizations, disabled people organizations, government officials, and human resources staff, principals of schools and project managers and faith based communities who want to learn more about how to include disabled people in mainstream activities.

Expected Learning Outcomes

Promote the rights of people with disabilities and implement strategies and actions to enable participation and social inclusion.

Specific learning outcomes

1. Explain the concepts of disability inclusion in development
2. Identify barriers and enablers to participation in different sectors
3. Explore role of disabled people's organizations and building alliances
4. Consider ways to mobilize local resources and stakeholders to enhance disability inclusion

Course structure:

The course is for three days and is structured to be interactive consisting of seminars, small group discussions drawing on participants' experiences of disability inclusion in their homes communities and /or work contexts and field

trip. Course programme is attached and readings will be sent out before participants arrive for the course.

A certificate of attendance will be given at the end of the course. CPD accreditation has been applied for from Health Professional council of South Africa (HPCSA) and South African Council for Social Service Professions (SACSSP).

Time: 08h30-17h00 (for the 3 days)

Venue: Barnard Fuller Building, UCT Medical School.

Course Fees: R4500.00 (Inclusive of tea/coffee, hot lunch, course materials and field trip)
