

Child Nursing Case Presentation

Join us for a case presentation on the first Monday of every month. Continue your learning through reflection on a real-life patient. Learn more about conditions common or interesting in our nursing practice and share your ideas about their nursing care.

Attend in person or via our online Webinar

Led by the **Child Nurse Practice Development Initiative**,
in collaboration with Red Cross War Memorial Children's Hospital

Dear Colleagues

Here are the details for this month's Child Nursing Case Presentation:

Date: Monday 4 August 2014

Time: 11am South African time

Presenter: Sr Margo Joseph

Venue: D3 Lecture Theatre, Red Cross War Memorial Children's Hospital

Title of the Case Presentation:

In keeping with the theme of Breastfeeding Awareness Week, Sr Joseph will be presenting on:

"Breastfeeding a child with a cardiac condition in hospital."

Instructions for joining the meeting:

<http://meeting.uct.ac.za/breastfeedinginhospital/>

1. Click on the link above or paste it into your web browser [insert link]

2. When prompted during log in, please choose 'Enter as a guest' and write your name and location, then click enter room.
3. When next window opens, click 'request entry'
4. You will then be able to see the first slide of the PowerPoint presentation.

Please note there may be a time difference in your country - You can convert the above times to your local time by clicking [here](#).

We will open the meeting website 30 minutes before so that you can log in and test your connection.

Adobe Connect now has a mobile application for download on virtually any mobile device (iOS and Android), which allows you to connect to webinars via your mobile device.

Simply connect to <http://www.adobe.com/africa/products/adobeconnect/mobile-meetings.html> via your mobile device and give it a go!

For more information on the Child Nurse Practice Development Initiative and to see presentations and abstracts from previous case presentations, click [here](#) and complete the free membership process.

Best wishes

The Child Nurse Practice Development Initiative Team
