

Computer Lab

Software Changes

- If you would like to add any software to what is currently available in the computer labs, email your requests to Gregory.Doyle@uct.ac.za by 30 September.
- Keep in mind that there might be licensing issues - i.e. if UCT does not have a site license for the software we will not be allowed to install it.
- Current software list - click [here](#)

2017 Bookings

- Please note that computer lab (HealthLab & Wolfson) bookings for 2017 are currently accepted BUT will only be confirmed from 31 October.
- Bookings related to online assessments take preference.
- To book - complete the [Online Booking Request Form](#)
- Queries – email Garth.Hector@uct.ac.za
