AIDS 2016 Satellite Session

Save the
Date

19 July 2016
18h30 - 20h30

You are invited to join us at the AIDS 2016 conference in Durban at an exciting satellite session. It will focus on how collaborative research in HIV prevention and treatment, grounded in the realities facing the public sector, can be applied to improve practice and influence policy.

We look forward to seeing you in Durban.
