

Call For Abstracts

We warmly invite you to submit an abstract for presentation or poster.

Foundations of Evidence

Belmont Square, Cape Town • 22-24 April 2015

Abstracts (for oral or poster presentation) related to research, evidence-based clinical practice projects and, education and leadership initiatives are invited.

Abstracts should demonstrate a correlation with the conference themes:

- Evidence-based best practice in children's nursing has measurable outcomes
- Building the evidence base: intentionally including families in every child health care setting
- Building the evidence base: best practice for teaching and learning in children's nursing
- Clinical outcomes that support innovation: developing new and alternative foundations of evidence in children's nursing

If you are interested in submitting an abstract, please visit www.buildingchildrensnursing.co.za for more information about the online submission process.

Abstracts will be peer reviewed by a panel of experts and selected on the basis of merit for presentation.

Abstract submission is now open.

Abstract submission deadline: 21 November 2014
