

Facilitators: Anatomy and Physiology

Department of Human Biology

Faculty of Health Sciences

The Department of Human Biology is inviting senior students in physiotherapy and occupational therapy (3rd and 4th year), MBCHB senior students and postgraduate students in Anatomy and/or Physiology to apply for facilitator positions in semester one and two in the HUB1009F and HUB1020S courses, respectively. Successful candidates will be responsible for facilitating the learning of study skills required for the subject as well as assisting students with fundamental concepts in Anatomy and Physiology. This is a part time position on a Paid-on-claim contract from Feb-Oct 2016. The pay rate varies from R104-R141 per hour.

Requirements:

- To be eligible for consideration, you must have obtained a minimum pass of 65% for your 1st and 2nd year Anatomy and Physiology courses.
- Demonstrating and facilitating experience in Anatomy and/or Physiology would be advantageous.

Application process:

To apply, please e-mail Dr Amaal Abrahams (a.abrahams@uct.ac.za) if you are interested and please attach your CV.

Please note that if successful:

- Shortlisted candidates will be invited to an interview which will take place in the week of the 8th February 2016.
- Candidates will be required to attend peer-led facilitation training workshops (compulsory): 11th & 12th February 2016.

Closing date for applications: 3rd February 2016
