

Taking place next week, on 26th and 27th March 2015:

Invitation to **ALL RESEARCHERS across different fields (incl. humanities, commerce and health)** to attend an interactive session to find out more about NIH funding opportunities

Next week, on Thursday, 26th and Friday, 27th March 2015, the UCT Research Office will be hosting **GEORGEANNE PATMIOS**, Program Director in the Division of Behavioural and Social Research (BSR), National Institute on Aging, National Institutes of Health (NIH)

– see <http://www.nia.nih.gov>

The BSR supports social, behavioural, and economic research and research training on the processes of aging and both the individual and societal level. BSR fosters cross-disciplinary research, at multiple levels from genetics to cross-national comparative research, and at stages from basic through translational research. For more information, see

<http://www.nia.nih.gov/about/offices/division-behavioral-and-social-research-dbsr>

Interested individuals could attend either one of the two days [repeat line-up]. Further details of the event are as follows:

UPPER CAMPUS:

Date: Thursday, 26 March 2015

Venue: HUMA Seminar Room, 4th Floor, Humanities Building

Time: 09.00 – 12.00
