

# School of Public Health and Family Medicine

## NOON MEETING

**Date:** Thursday, 31 July 2014

**Time:** 12h00 – 13h00

**Venue:** Seminar Room 2, Level 1, Falmouth Building, UCT

**Title:** "Health Impacts of Coal and Energy and Climate Policy"

**Speaker:** Dr T Taylor  
Project Co-ordinator  
Earthlife Africa

Tristen Taylor is the Project Coordinator of Earthlife Africa Johannesburg, which specialises in climate change and energy issues and policy from a pro-poor environmental justice perspective. Previously, he was a campaigner on Apartheid & Ecological Debt and Reparations for Jubilee South Africa. He has a PhD in Philosophy, specialising in economic and political theory, from the University of Johannesburg.
