| Ms Singathwa Mbangeni, Professional Officer: Reviews and Evaluation | **Review eligible and fundable research grant proposals** | One objective of the NRF is to support the creation of new knowledge and research by funding the best research projects, in any area relevant to South Africa, through the reviews and evaluation processes. This presentation outlines critical aspects to consider when preparing a research grant proposal that will ensure success. | Postgraduate students and supervisors | https://www.youtube.com/watch?v=44zCotvKUtE |
