

CRC QUALITATIVE RESEARCH FORUM

26th November 2015

Dear Colleagues

Please join us for our Qualitative Research Forum, hosted by the Clinical Research Centre (CRC).

The aims of the Qualitative Research Forum is to bring those working in Qualitative Research together to discuss, share and collaborate on qualitative methodologies, and to form a group of experienced qualitative researchers to support and mentor those starting up/new to qualitative research. This forum will focus on **Qualitative Data Analysis** and will be facilitated by **Dr Katherine Everett-Murphy**.

Date: 26th November 2015

Time: 11:00am-12:00pm

Venue: Clinical Research Centre (CRC), L Floor (L51), Groote Schuur Hospital (Old Main Building)

RSVP: cody.reddy@uct.ac.za
