SEMINAR SERIES

The Division of Immunology (NHLS) invites you to attend the following seminar

Speaker

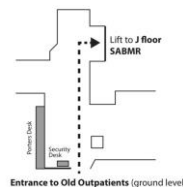

Dr Zunaid Barday

Title

**Tools to Break Down the Immunological Barrier
in Kidney Transplantation**

Venue

**South African Bone Marrow Registry Seminar Room
J57, GSH Old Out-Patient's Building**

Date and Time

Tuesday, 28 July 2015

12h30-13h30

Dr Zunaid Barday is a Nephrologist in the Department of Medicine at UCT, where he did his undergraduate and post-graduate training. His interests are transplant nephrology and immunology, as well as photography and mountain biking! He runs the medical transplant service in the Renal Unit at GSH. He is also closely involved working up living kidney donors. Professional affiliations include being a member of the South African Renal Society, the International Society of Nephrology, the South African Transplant Society and The (International) Transplant Society (TTS).
