

Research Doctor/Medical Manager

UNIVERSITY OF CAPE TOWN LUNG INSTITUTE (PTY) LTD

www.lunginstitute.co.za

We invite applications from suitably qualified candidates for the position of Research Doctor/Medical Manager in the Lung Clinical Research Unit.

The position involves both management and clinical duties in research projects in the field of respiratory medicine. The position may be either full-time or part-time, depending on the specific needs and skills of the successful candidate. A detailed job description is available on request. There is opportunity for undertaking a post-graduate qualification.

Requirements:

- Registration with the HPCSA for independent practice.
- Excellent communication and interpersonal skills with ability to work in a multidisciplinary team.
- Attention to detail and ability to work to tight time lines
- Respiratory experience would be advantageous
- Relevant clinical trial experience as sub-investigator or principal investigator would be preferable.
- Current Good Clinical Practice certification
- Dispensing licence would be an advantage
- Willing and able to travel locally and overseas for research-related meetings.

This position is offered by the Lung Clinical Research Unit of the University of Cape Town Lung Institute. The Lung Institute is a wholly-owned subsidiary of the University of Cape Town, and is recognised internationally as a leader in the study of treatments for airways diseases, having performed more than 150 research projects in this field.

Negotiable remuneration commensurate with qualifications and experience and hours of work will be offered.

Please email: a letter of motivation, a full CV, proof of HPCSA registration, contact details (telephone number/email/fax) of 2 referees to: Mrs Cheryl Nel cheryl.nel@uct.ac.za

Reference number for this position: LCRU/CTDR/014

Closing date for applications: 6 June 2014

Kindly note that only short-listed candidates will be contacted.

THIS POSITION IS NOT ON UCT CONDITIONS OF SERVICE.
