

## **Vacancy: laboratory technician post T1701**

A vacancy exists for an experienced laboratory technician to join a Cape Town based biotech company to assist with the development and production of novel diagnostic tests for tuberculosis and other diseases. We invite applications from suitably qualified candidates for appointment as soon as possible for a one-year contract laboratory technician post, renewable annually.

### **Essential requirements:**

- Diploma in Medical technology, Bachelor of Technology Degree
- At least two years (or more) laboratory work experience, working to GLP standards

### **Desirable requirements include:**

- Bachelor of Science (Hons) and a postgraduate qualification
- Experience with cell culture and immunoassay techniques

Remuneration will be commensurate with knowledge and experience.

### **Application requirements**

To apply please send a CV with covering letter including details of at least two referees to [info@antrumbiotech.com](mailto:info@antrumbiotech.com)

**The closing date for applications is 24<sup>th</sup> February 2017.**
