Post Graduate Diploma in Health Professional Education

The Faculty of Health Sciences at the University of Cape Town offers a Postgraduate Diploma in Health Professional Education.

**Purpose:** The programme will enable educators of health science students to reflect critically on the theory and practice of teaching, learning, assessment and curriculum development in Primary Health Care-led health systems and curricula.

The programme consists of 4 compulsory courses of 30 credits each:

- Teaching and Learning Theories in Health Professional Education
- Learning and Teaching Practice
- Assessment in Health Professional Education
- Curriculum Development and Course Design

**Duration** of the course is one year full time or two years part time.

**Delivery mode** is blended learning with three, one-week long contact blocks and further online learning.

**Admission requirements:**
- undergraduate health professional degree or similar
- registration with a relevant professional body
- six months’ teaching experience in a healthcare context
- applicants may be considered on the basis of Recognition of Prior Learning (RPL)
- fluency in written and spoken English
- basic computer literacy
- reliable and continuous computer access and internet connectivity.

**To apply:** E-mail HPedu-pgdip@uct.ac.za or phone Melanie Alperstein or Thulani Guzole. Tel: +27 021 650 7773
