## Off-campus access to selected e-resources

This service provides authenticated off-campus access to selected web content for University of Cape Town staff and registered students. It is primarily intended to provide off-campus access to the UCT Libraries electronic journal subscriptions, and other resources which are generally restricted to access from computers on the University of Cape Town network.

The following resources are currently available:

- UCT Libraries
- Information and Communication Technology Services (ICTS)
- Mailing list administration and archives
- Chemical Engineering Courses
- SAP Online Help
- RefWorks [1]
- Google Scholar

[1] You will be notified that this URL does not match that of the certificate. Please accept this message. Your session is secure.

If you encounter any problems with this service please contact the ICTS Helpdesk

**IEEE Xplore® DIGITAL LIBRARY**

### We have the full IEEE / IET Electronic Library (IEL)

We are delighted to announce that this year we have been able to upgrade our IEEE Xplore subscription to the full IEEE / IET Electronic Library (IEL) ... something our electrical and electronics engineers have been craving for some time!

In addition to the abstracts, we now have access to all full text published since 1988 (and selected full text published from 1913 - 1987) from the following publications:

- IEEE journals, transactions, and magazines
- IEEE conference proceedings
- IET journals
- IET conference proceedings
- IEEE published standards
- IEEE Spectrum Magazine
- Proceedings of the IEEE

*Search IEEE/IET Electronic Library now!*

**Academic OneFile**
Provides extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and other subjects.

**Academic Search Premier - via EBSCOhost (Full Text)**
Provides journal coverage for most academic areas of study—including biological sciences, economics, communications, computer sciences, engineering, language and linguistics, arts and literature, medical sciences and women's studies.

**AccessScience: McGraw-Hill Encyclopedia of Science & Technology Online**
AccessScience provides online access to the latest edition of the McGraw-Hill Encyclopedia of Science & Technology, Research Updates from the McGraw-Hill Yearbooks, thousands of illustrations, and the latest Science News® headlines, biographies, and more.
*Access limited to 2 simultaneous users.*

**ACM Digital Library**
Bibliographic information, abstracts, reviews, and the full-text for articles published in ACM periodicals and proceedings since 1985 are available in the library together with works published by affiliated organizations.
As of June 1, 2001, the Library contains: over 69,000 full-text articles from journals, magazines, and conference proceedings; Tables of Contents with over 23,000 citations from articles published in journals and magazines from 1954 forward; Tables of contents with more than 48,000 citations from articles published in over 990 volumes of conference proceedings since 1985.

**ACM Guide**

**AfDevInfo: Online Databases on the Political and Economic Infrastructures of Sub-Saharan Africa**
AfDevInfo tracks the mechanics of political and economic development across Sub Saharan Africa. We draw together a diverse range of publicly available data and present it as an accessible and ever expanding online database.

**Africa - Taxation & Investment**
This online service, published by the IBFD and "compiled and maintained with the help of professionals in the respective countries, provides detailed information on legal, administrative, and tax measures governing trade and investment in all African countries. The service is divided into country chapters. These are complemented by the English texts of all available tax treaties concluded by countries in the region." [Source: http://ip-online2.ibfd.org.ezproxy.uct.ac.za/ats/, 06/09/2005]

**Africa Development Indicators**
ADI is the premier data source on the African economy. It contains 1400+ indicators & time series from 1965 for 53 countries. Data include social, economic, financial, natural resources, infrastructure, governance, partnership, & environmental indicators. It brings an essay on a key topic--the long term growth challenges of the continent.

**Africa-Wide: NiPAD - via EBSCOhost**
Africa-Wide: NiPAD combines databases (African Studies, South African Studies, and African Healthline) to form a multidisciplinary aggregation offering unique and extensive coverage of all facets of Africa and African studies. This resource is essential for those with an interest in African research, and information on and about Africa.

**African Christianity Bibliography**
The African Christianity Project CD-ROM was published in December 1998. It contains an author listing of over 10,000 records from the African Christianity Bibliography together with the full text of more than 200 documents selected from archive and unpublished material held in the link institutions. *This CD is available from a stand-alone workstation in the African Studies Library.*

**African HealthLine: now incorporated into Africa-Wide: NiPAD - via EBSCOhost**

SA Media - via Sabinet Online
*Access also direct to SA Media - Click here. Contact your subject librarian for the username and password.*
S.A. Media is one of the most comprehensive press cutting services offering you access to a database consisting of more than 3 million newspaper reports and periodical articles which have been indexed on computer since 1978.
SA Statutes - via Sabinet Online
This is part of the SA Legal collection which consists of Daily Law Reports, SA Statutes and Provincial Legislation.
*Limited to 3 simultaneous users.*
Sabinet Legal Products ←
Sage Journals Online - 2010 Premier Package
SAGEOLIT - via Sabinet Online
SAGEOLIT contains bibliographic information on geoscientific publications, selected from journal articles, publications from symposia, published and unpublished reports and maps. This database covers about 400 current journal subscriptions and a further 1500 journals received as part of exchange agreements. It is compiled by the Council for Geoscience and includes 170 000 references from the early 1880s and is updated monthly.
SAMM: South African Marketer's Map
Access restricted to use within the UCT Commerce Library. Please ask a librarian to log you in.
SANS standards (formerly SABS standards)
The Standards Division of the SABS has changed its name and is now developing and publishing standards under the banner of Standards South Africa. All of national standards have been redesignated as SANS (South African National Standards), as opposed to SABS standards.
Science Citation Index on Web of Science
ScienceDirect (Full Text)
ScienceDirect offers access to the Elsevier Science journal collection (over 1,200 titles), along with journals from a host of prestigious societies and scientific, technical and medical publishers. The full text collection of over 1 million articles from 1995 to present covers a wide variety of subject areas and disciplines in the sciences and social sciences.
SciFinder Scholar
SciFinder Scholar will allow you to search Chemical Abstracts and Medline on the Web. For instructions on how to set up SciFinder Scholar on your pc, click *here*.
*The client version of SciFinder Scholar does not work with EZproxy because EZproxy does not support the Z39.50 protocol.*
